

ATV and other auxiliary vehicle operation

Non Licensed vehicles are allowed and welcome at Yogi Bear Jellystone Park Campground under very strict rules.

We allow you to bring golf carts, ATV's and other vehicles no bigger than a golf cart. You are only allowed to drive ATV's on the Trails. If you want to come to the beach or store then you must use the start of the ATV trail (at cabin 4) and park in the parking area to left of store. ATV's are NOT ALLOWED to be driven in park. Golf carts must use same rules to come to store or beach but they are allowed to be driven in park to and from bathrooms etc. Golf carts are NOT ALLOWED to be riding through the park just for fun!! The speed limit anywhere in the park and the start of the trail going around the lake is 5MPH. You cannot go above 5MPH until you get to the wooded Trails. Operation of a non licensed vehicle requires that you read and sign an agreement which contains all the rules. You are also required to purchase a band for ALL non licensed vehicles. This band will be for the length of your stay. You will have to pay for all days your non licensed vehicle is on our property. If you come in for 2 days then you will be charged 2 days even if you tell us you are going to be riding for 1 day. We cannot monitor to make sure what day you rode and what day you did not.

The hours of operation are defined as 8AM till dark. NO RIDING AFTER DARK BY ATV'S OR GOLF CARTS ANYWHERE IN PARK!!! All non licensed vehicles are required to be muffled to the equivalent of a normal golf cart. Straight un-muffled exhaust is too loud and will not be allowed. STAY OFF ALL GRASS and OUT OF FIELD. If a member of the staff says you are breaking the rules and you disagree, management will probaly agree with staff. If you are caught or seen breaking any of the park rules then your band will be taken and you will be required to park your non licensed vehicle for the rest of your stay WITHOUT A REFUND. If you do not want to follow the rules then you will be asked to leave park WITHOUT A REFUND.If you lose your privileges then you broke the rules. Complaining and threats to never return are accepted, but never change the rules. You will not get a warning or a second chance so please follow all rules!!! ALL rules will be enforced by staff for the safety and comfort of all our guests. We understand the rules are not what everybody wants, but we have a lot of campers and children here at any given time that would like to enjoy themselves in safety and comfort.

OPERATION RULES:

1. Band must be displayed on left handlebar or around left windshield of golf cart
2. Speed limit is 5MPH ANYWHERE in park.
3. No donuts,wheelies or other wild riding allowed anywhere in park(save it for the woods)
